REQUIREMENTS FOR THE COMPREHENSIVE EXAM (M.S. PROJECT)

• Under the supervision of a faculty member, students must develop and produce a project in the field of Computer Science that can be presented for review by a three-member committee.

The Review Committee must consist of at least two faculty members in Computer Science; the third member may be faculty in Computer Science or a related discipline.

• Upon completion of the project, students must receive a “PASS” from all members of the review committee.

FORM INSTRUCTIONS

DEADLINE: No later than last day of the quarter in which the M.S. degree is to be awarded. Refer to current academic calendar for specific date.

1. Submit a completed project to members of the Review Committee at least two weeks before the last day of the quarter in which the M.S. degree is to be awarded. Refer to the current academic calendar for specific date.

2. Upon review, each member of the committee must assign a “PASS” or “FAIL” for the student’s project, and sign and date this form.

3. Students must attach an abstract or synopsis of their project to the results form and return it to the Graduate Student Affairs Office no later than the last day of the quarter in which the M.S. degree is to be awarded.
