REQUIREMENTS FOR THE CAPSTONE PROJECT
Students must attach abstract of M.S. Capstone Project to this form.

- Under the supervision of a faculty member, students must develop and produce a project in the field of Computer Science that can be presented for review by a three-member committee.

The Review Committee must consist of at least two faculty members in Computer Science; the third member may be faculty in Computer Science or a related discipline.

- Upon completion of the project, students must receive a “PASS” from all members of the review committee.

FORM INSTRUCTIONS

DEADLINE: If on filing fee, the deadline is no later than Wednesday of Week 2 during the term in which the M.S. degree is to be awarded. If enrolled full-time and already advanced to candidacy, the deadline is no later than the last day of the term.

1. Submit a completed project to members of the Review Committee, if on filing fee, at least, by the start of the quarter and, if enrolled full-time, at least two weeks before the last day of the term in which the M.S. degree is to be awarded. Refer to the current academic calendar for specific date.
2. Upon review, each member of the committee must assign a “PASS” or “FAIL” for the student’s project, and sign and date this form.
3. Students must attach an abstract or synopsis of their project to the results form and return it to the Graduate Student Affairs Office, if on filing fee, no later than Wednesday of Week 2 during the term in which the M.S. degree is to be awarded, and if enrolled full-time and already advanced to candidacy, no later than the last day of the term in which the M.S. degree is to be awarded.
