STATEMENT OF UNDERSTANDING

UCLA ACADEMIC APPRENTICE PERSONNEL FEE REMISSION BENEFITS FOR 2019-2020

Congratulations on receiving an academic apprentice appointment at UCLA! Academic apprentice titles are intended to provide qualified students with relevant training experience for academic and academic-related careers in teaching and research. Apprentice personnel in the research series (i.e., Graduate Student Researchers - Title Code 3276) are regarded primarily as students being professionally trained. However, students employed in the following title codes are also regarded as employees and are known as Academic Student Employees (ASE):

| ACADEMIC STUDENT EMPLOYEE (ASE) PERSONNEL TITLE CODES | | | | | | | |
|---|------|-------------------|------|--------------------|------|--------------------|------|
| Reader | 2850 | Remedial Tutor I | 2288 | Tutor | 2860 | Teaching Associate | 1506 |
| Special Reader | 2852 | Remedial Tutor II | 2289 | Teaching Assistant | 2310 | Teaching Fellow | 2300 |

ASEs are represented by the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW). The collectively negotiated agreement between the Regents of the University of California and UAW (UAW Contract) covers ASE policies, rights, terms of employment, benefits and grievances. For more information visit: <http://ucnet.universityofcalifornia.edu/labor/bargaining-units/bx/contract.html>. The intent of this Statement of Understanding is to outline those benefits and corresponding eligibility requirements provided to ASEs in the UAW Contract. In the event a discrepancy exists between the benefits and eligibility requirements provided included in this form and the UAW Contract, the UAW Contract controls. GSRs are not represented by a collective bargaining unit.

Please carefully read through the following information pertaining to eligibility criteria and benefit entitlement. ***You must also sign and date the back and return the form to your departmental apprentice personnel officer.*** If you have any questions regarding these policies, contact your academic advisor, hiring department or the Graduate Fellowships and Financial Services at (310) 825-1025.

The following table summarizes the benefits and the requirements necessary to qualify for and maintain these benefits:

* Balance of fees varies for new and continuing students. Please consult your BruinBill account for actual balance of fees or the Registrar's Office website: <http://www.registrar.ucla.edu/Fees-Residence/Overview>

Also note that you must be continuously registered and enrolled throughout the applicable appointment period(s) in the required number of units by ***no later than the third week*** of instruction and be employed at 25% time or greater.

It is important to understand the above not only to maintain those benefits initially provided to you, but also to ensure that you receive the full benefits associated with your total academic apprentice appointment with the university. The percentage of time accumulates in the instance where you have more than one qualifying apprentice appointment. Even if each appointment is less than 25%, you become eligible for some or all of the remissions if two or more such apprentice appointments accumulate to 25% or more. If this is the case, you must speak with your departmental administrator to ensure that a remission roster is processed.

Should you fail to meet and/or maintain these requirements, you will be billed for all remissions issued to you for that quarter for which you are ineligible. Failure to complete assigned duties for an extended period of time may be deemed abandonment of the position and may result in termination of the apprentice position, denial of re-employment and/or other appropriate sanctions.

SUBSTITUTE TEACHING WORK

Substitute teaching work performed by an ASE is compensable when coordinated and approved in advance by the hiring unit. The work may include but not limited to preparation time, classroom time, grading, and office hours. The department's human resources coordinator should ensure that the ASE is appropriately compensated. For any questions related to additional compensation for substitute work, please contact the hiring unit human resources coordinator.

TEST OF ORAL PROFICIENCY EXAMINATION (TOP)

International graduate students, including permanent residents, whose native language is not English, are required to take a campus-administered Test of Oral Proficiency examination (TOP) and pass it at 7.1 or above in order to be eligible for a teaching assistantship at UCLA. Please visit: <https://www.teaching.ucla.edu/top> for more information on registration, exam details, preparation and scoring.

HEALTH INSURANCE

WAIVING

If you decide to waive your health insurance and submit a UC SHIP (University of California Student Health Insurance Plan) waiver for the term, and subsequently become eligible for the university health insurance remission, you will not be eligible to enroll in UC SHIP until the next term. Your UC SHIP waiver cannot be reversed for the term. There are no exceptions, and there is no appeal process, for waiving out of UC SHIP after your registration fees have been paid for the term. Please also note that a waiver of UC SHIP does not result in a refund back to you if you're enrolled in another insurance plan, directly pay or receive funding.

COVERAGE FOR STUDENTS ON FEE PENDING (FP) STATUS

Students on Fees Pending (FP) status have access to and may avail themselves of all services offered at Ashe, included but not limited to primary care visits, in-house specialty, x-rays, lab services, and prescriptions. Further, students with FP status have access to medical care at Ashe without the concern of incurring out-of-pocket costs at the time of visit. Students in need of health services can make appointments by phone (310-825-4073, Option 1) or in person (on the 1st floor of the Ashe building). For any questions related to health care services at Ashe associated with having FP status, please call the Insurance Office at 310-825-4073, Option 4.

ADVANCE LOANS

Academic Student Employees and Graduate Student Researchers are eligible to receive an interest-free advance on their student funding. Applications for these loans must be submitted within the following periods:

| | |
|--------------------|--------------------------------------|
| Fall 2019 | September 11, 2019 – October 2, 2019 |
| Winter 2020 | December 2, 2019 – December 16, 2019 |
| Spring 2020 | March 9, 2020 – March 30, 2020 |

The loan will be paid back through equal payroll deductions taken from the second and third paychecks of the quarter for monthly paid employees while the first deduction is taken from the first paycheck of the first month and the second deduction taken from the first paycheck of the second month for bi-weekly paid employees.

FEE DEFERRALS

All academic apprentice personnel are eligible to receive a fee deferral for registration fees assessed during the quarter in which they serve as an academic apprentice. You are responsible for ensuring that these fees are paid by the payback deadline. In general, the deferred payment deadline is two months after the standard quarterly due date. If your fees are not paid by this date, you will be liable for an additional \$50 late charge. Please contact your departmental administrator to request a fee deferral. Fee deferrals cannot be reversed and if you decide not to enroll after a fee deferral has been posted, you are still liable to pay registration fees.

UC STUDENT-WORKERS UNION

UAW LOCAL 2865

Membership Election Form

Welcome to your union! UAW Local 2865 is the union chosen by the majority of Readers, Tutors, Teaching Assistants, and Graduate Student Instructors. The Union negotiates contracts with the university administration covering wages, benefits, hours, rights, terms and conditions of employment. This is the form by which you voluntarily accept or decline membership.

AT UC, THE UNION:

- Is run by student employees like you;
- Enables student employees to resolve workplace problems;
- Gives student employees a collective voice in advocating for important issues such as increased wages, rights for international students, and equity and diversity in academia.

BECAUSE UC STUDENT EMPLOYEES FORMED A UNION IN 1999, WE HAVE:

- Increased wages more than 33% compared to student employees outside of the Union.
- Won high quality health insurance at a low cost to student employees.
- Achieved protections from discrimination and harassment in the workplace.
- And gained many more rights and protections.

These rights and protections are only possible because a majority of student employees are dues-paying members of our union. By becoming a member, you increase the strength of the Union, you're able to participate in the Union's decision-making process, and you can run for leadership positions if you choose. You are also doing your part to support the community of student employees at the University of California and building the future of public education.

I ACCEPT MEMBERSHIP in UAW Local 2865. I agree to pay a one-time \$10 initiation fee and monthly dues, currently 1.44% of my gross pay. I authorize UC to deduct the initiation fee and monthly membership dues from my pay and remit them to the Union. Unless revoked, this authorization is to remain in effect for all periods of time in which I am a UAW member and receiving a paycheck for work performed as a TA, Tutor, Reader, or Graduate Student Instructor.

I DECLINE MEMBERSHIP in UAW Local 2865.

INVITATION TO SELF-IDENTIFY VETERAN STATUS

The University of California is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans, 4) Armed Forces service medal veterans; and (5) Vietnam Era Veterans.

OVER ►

I AM NOT A PROTECTED VETERAN. (O)

I AM A PROTECTED VETERAN, BUT I CHOOSE NOT TO SELF-IDENTIFY THE CLASSIFICATIONS TO WHICH I BELONG. (P)

I belong to the following classifications of protected veterans (choose all that apply):

DISABLED VETERAN (S)

A “disabled veteran” is one of the following:

1. a veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or 2. a person who was discharged or released from active duty because of a service-connected disability.

RECENTLY SEPARATED VETERAN Please provide separation date ____/____ (MM, YY)

A “recently separated veteran” means any veteran during the three-year period beginning on the date of such veteran’s discharge or release from active duty in the U.S. military, ground, naval or air service.

ACTIVE WARTIME OR CAMPAIGN BADGE VETERAN (E)

An “active duty wartime or campaign badge veteran” means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense. For a list of officially recognized campaigns, please visit the U.S. Office of Personnel Management website at <http://www.opm.gov/policy-data-oversight/veterans-services/vet-guide/#9>

ARMED FORCES SERVICE MEDAL VETERAN (M)

An “Armed forces service medal veteran” means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985. To identify the military operations that meet this criterion, check your DD Form 214, Certificate of Release or Discharge from Active Duty.

VIETNAM ERA VETERAN (V)

Vietnam Era Veteran means a person who:

1. Served on active duty for a period of more than 180 days, and was discharged or released therefrom with other than a dishonorable discharge, if any part of such active duty occurred: a. in the republic of Vietnam between February 28, 1961, and May 7, 1975; or b. between August 5, 1964, and May 7, 1975, in all other cases; or 2. Was discharged or released from active duty because of a service-connected disability, if any part of such active duty was performed: a. in the republic of Vietnam between February 28, 1961, and May 7, 1975; or b. between August 5, 1964, and May 7, 1975, in all other cases.

Protected veterans may have additional rights under USERRA—the Uniformed Services Employment and Reemployment Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. For more information, call the U.S. Department of Labor’s Veterans Employment and Training Service (VETS), toll-free, at 1-866-4-USA-DOL.

As a Government contractor subject to VEVRAA, we are required to submit a report to the United States Department of Labor each year identifying the number of our employees belonging to each specified “protected veteran” category. If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box above.

If you are a disabled veteran it would assist us if you tell us whether there are accommodations we could make that would enable you to perform the essential functions of the job, including special equipment, changes in the physical layout of the job, changes in the way the job is customarily performed, provision of personal assistance services or other accommodations. This information will assist us in making reasonable accommodations for your disability.

Submission of this information is voluntary and refusal to provide it will not subject you to any adverse treatment. The information provided will be used only in ways that are not inconsistent with the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended.

The information you submit will be kept confidential, except that (i) supervisors and managers may be informed regarding restrictions on the work or duties of disabled veterans, and regarding necessary accommodations; (ii) first aid and safety personnel may be informed, when and to the extent appropriate, if you have a condition that might require emergency treatment; and (iii) Government officials engaged in enforcing laws administered by the Office of Federal Contract Compliance Programs, or enforcing the Americans with Disabilities Act, may be informed.

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.

PATENT ACKNOWLEDGMENT

This acknowledgment is made by me to The Regents of the University of California, a corporation, hereinafter called "University," in part consideration of my employment, and of wages and/or salary to be paid to me during any period of my employment, by University, and/or my utilization of University research facilities and/or my receipt of gift, grant, or contract research funds through the University.

By execution of this acknowledgment, I understand that I am not waiving any rights to a percentage of royalty payments received by University, as set forth in the University of California Patent Policy, hereinafter called "Policy."

I also understand and acknowledge that the University has the right to change the Policy from time to time, including the percentage of net royalties paid to inventors, and that the policy in effect at the time an invention is disclosed shall govern the University's disposition of royalties, if any, from that invention. Further, I acknowledge that the percentage of net royalties paid to inventors is derived only from consideration in the form of money or equity received under: 1) a license or bailment agreement for licensed rights, or 2) an option or letter agreement leading to a license or bailment agreement. I also acknowledge that the percentage of net royalties paid to inventors is not derived from research funds or from any other consideration of any kind received by the University. The Policy on Accepting Equity When Licensing University Technology governs the treatment of equity received in consideration for a license.

I acknowledge my obligation to assign, and do hereby assign, inventions and patents that I conceive or develop 1) within the course and scope of my University employment while employed by University, 2) during the course of my utilization of any University research facilities, or 3) through any connection with my use of gift, grant, or contract research funds received through the University. I further acknowledge my obligation to promptly report and fully disclose the conception and/or reduction to practice of potentially patentable inventions to the University authorized licensing office. Such inventions shall be examined by the University to determine rights and equities therein in accordance with the Policy. I shall promptly furnish University with complete information with respect to each.

In the event any such invention shall be deemed by University to be patentable or protectable by an analogous property right, and University desires, pursuant to determination by University as to its rights and equities therein, to seek patent or analogous protection thereon, I shall execute any documents and do all things necessary, at University's expense, to assign to University all rights, title, and interest therein and to assist University in securing patent or analogous protection thereon. The scope of this provision is limited by Calif. Labor Code Sec. 2870, to which notice is given below. In the event I protest the University's determination regarding any rights or interest in an invention, I acknowledge my obligation: (a) to proceed with any University requested assignment or assistance; (b) to give University notice of that protest no later than the execution date of any of the above-described documents or assignment; and (c) to reimburse University for all expenses and costs it encounters in its patent application attempts, if any such protest is subsequently sustained or agreed to.

I acknowledge that I am bound to do all things necessary to enable University to perform its obligations to grantors of funds for research or contracting agencies as said obligations have been undertaken by University.

University may relinquish to me all or a part of its right to any such invention, if, in its judgment, the criteria set forth in the Policy have been met.

I acknowledge that I am bound during any periods of employment by University or for any period during which I conceive or develop any invention during the course of my utilization of any University research facilities, or any gift, grant, or contract research funds received through the University.

In signing this acknowledgment, I understand that the law, of which notification is given below, applies to me, and that I am still required to disclose all my inventions to the University.

NOTICE: This acknowledgment does not apply to an invention which qualifies under the provision of Calif. Labor Code Sec. 2870 which provides that (a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either: (1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or (2) Result from any work performed by the employee for the employer. (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable. In any suit or action arising under this law, the burden of proof shall be on the individual claiming the benefits of its provisions.

| 1. EMPLOYEE AND UNIVERSITY INFORMATION | | |
|---|-----------------|------------------------|
| EMPLOYEE NAME (Last, First, Middle Initial) | EMPLOYEE NUMBER | SOCIAL SECURITY NUMBER |
| CAMPUS/LAB | DEPARTMENT | DATE OF HIRE |

Your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a UC defined contribution plan (DC plan) or UC Retirement Plan (UCRP) benefit based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your DC plan or UCRP benefit may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

1. Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a plan benefit from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a plan benefit from this job.

For example, if you are age 62 in 2019, the maximum monthly reduction in your Social Security benefit as a result of this provision is the lesser of \$463 or one-half of your pension earned from employment not covered by Social Security. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to the Social Security publication, "Windfall Elimination Provision."

2. Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a federal, state or local government plan benefit based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your government plan benefit.

For example, if you receive a monthly government plan benefit of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 – \$400 = \$100).

Even if your government plan benefit is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to the Social Security publication, "Government Pension Offset."

2. FOR ADDITIONAL INFORMATION

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or, for the deaf or hard of hearing, call the TTY number 1-800-325-0778, or contact your local Social Security office.

3. REQUIRED SIGNATURE

I certify that I have received Form UCRS 419 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.

UCLA

FACTS ABOUT WORKERS' COMPENSATION

The content of this pamphlet has been approved by the Administrative Director of the Division of Workers' Compensation.

The information in this pamphlet is available in Spanish. To obtain a copy, please call: UCLA Workers' Compensation 310 794-6948. *La información en este folleto está traducido al español. Para conseguir una copia, favor de llamar: UCLA Workers' Compensation 310 794-6948.*

WHAT IT IS

Since 1913, California Workers' Compensation law has guaranteed prompt, automatic benefits to workers who become injured or ill because of their jobs. It is mandatory no-fault insurance, paid for entirely by your employer, that pays your medical expenses and helps replace lost wages when you are disabled from work because of a work-related injury or illness.

WHO IT COVERS

All UCLA employees and registered volunteers are covered for Workers' Compensation.

WHAT IT COVERS

Almost any job-related injury or illness is covered. Simple first-aid incidents and serious accidents are both covered. Physical and psychological injuries incurred by victims of violent workplace crime are covered. There are a few injuries that may not be covered depending on how they occur; for instance, injuries that result from voluntary, off-duty recreational, social, or athletic activities are not covered. If you wish more information on the types of injuries not covered by workers' compensation, contact the UCLA Workers' Compensation Office at 310 794-6948.

HOW TO REPORT AN INJURY

Immediately report to your supervisor any injury, no matter how slight. You can also report your injury to UCLA WC at 310 794-6948. If your injury is more than a simple first-aid case, your Human Resource office will give you a Claim Form (DWC 1), with instructions to complete the form and return it. You can also obtain a claim form on the UCLA WC web site at: <http://www.oirm.ucla.edu/DWCFom1.pdf> or you can call UCLA WC at 310 794-6948 and request that a claim form be mailed to you.

State law requires employers to authorize medical treatment within one working day of receiving the completed claim form from you. If you delay reporting your injury or delay completing the claim form, it may result in a delay in receiving benefits; and too long a delay may even jeopardize your right to obtain benefits altogether.

Work Injury Reporting Hotline 877 682-7778

Supervisors, managers, and staff can now call a toll-free number to report any injury. This service is available 24 hours a day, seven days a week. Employees should continue to promptly inform their supervisor if they have been injured, and, in an emergency, urgent medical care should be sought immediately.

NON-DISCRIMINATION

It is illegal for your employer to fire you or in any way discriminate against you because you file a claim, intend to file a claim, settle a claim, testify or intend to testify for another injured worker. If it is found that UCLA discriminated, UCLA may be ordered to reinstate you to your job, reimburse you for lost wages and employment benefits, and pay increased workers' compensation benefits, costs and expenses up to maximum amounts set by state law.

BENEFITS**Medical Care**

Your claims administrator will pay all reasonable and necessary medical care for your work injury or illness. Medical benefits may include treatment by your doctor, hospital services, physical therapy, lab tests, x-rays, and medicines. Your claims administrator will pay the costs directly, so you should never see a bill. For injuries occurring on or after 1/1/04, there is a limit on some medical services.

How to Obtain Medical Care**FIRST AID:**

Seek first-aid immediately.

EMERGENCY CARE:

Get help immediately. See the emergency telephone numbers in this pamphlet, which should also be posted in your workplace. Call an ambulance or go to the nearest emergency room.

ACUTE AND FOLLOW-UP CARE:

- A. If you predesignated your personal M.D. or D.O. (see form in this pamphlet):
Contact your physician as soon as possible and make arrangements for treatment.
- B. If you did not predesignate your personal M.D. or D.O.: Call UCLA WC at 310-794 6948 as soon as possible to help you make arrangements for treatment.

Temporary Disability Payments

If you are disabled for more than three (3) calendar days, temporary disability payments will partially replace your lost wages. The first three calendar days are not paid unless you are disabled for more than 14 days, or are hospitalized overnight. You should receive your first payment within two weeks of reporting your injury. Every two weeks after that, you will receive another payment.

Temporary Disability pays two-thirds of your average wage, subject to minimum and maximum amounts set by state law. The payments are tax-free and there are no deductions.

TD payments stop when your doctor says you can return to work, or your condition has become Permanent and Stationary (your medical recovery has reached maximum foreseeable improvement). Also, for injuries occurring on or after April 19, 2004, TD payments stop after 104 payable weeks within two years from the date of the first TD payment; or after 240 payable weeks within five years from the date of injury for specific long-term conditions such as amputations, severe burns, and certain chronic diseases.

Permanent Disability Payments

If a doctor says your injury or illness will always leave you somewhat limited in your ability to work, you may be eligible for permanent disability payments. The amount will depend on the type of injury, your age, occupation, date of injury, and how much of the permanent disability was caused by the work injury. There are minimum and maximum amounts set by state law. Payments are made at a regular rate and are spread out over a fixed number of weeks until the total amount has been paid. If you received temporary disability payments, the first permanent disability payment is due within 14 days after the TD payments stopped. If you did not receive TD payments (many people with permanent disability keep working), the first permanent disability payment is due within 14 days after your doctor says your condition is permanent and stationary (your medical recovery has reached maximum foreseeable improvement). Subsequent payments are made every 14 days until the total amount is paid.

Death Benefits

If the injury or illness causes death, payments may be made to relatives or household members who are financially dependent on you. The amount is set by state law and depends on the number of your financial dependents. Payments are made at the same rate as temporary disability. A burial allowance is also provided.

Supplemental Job Displacement Benefits

If you have permanent disability and you do not return to work within 60 days after your temporary disability ends, and the University does not offer modified or alternative work, you may qualify for a non-transferable voucher payable to a school for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law based on your percentage of permanent disability. SJDB is a benefit for injuries occurring on or after 1/1/04.

If Benefits Are Denied

You have the right to disagree with any decision affecting your claim. Call your claims administrator first to see if you can resolve any disagreement. For free assistance, you can contact an Information and Assistance officer at the Division of Workers' Compensation (see the section of this pamphlet captioned "If You Have Other Questions"). You can also file with the Workers' Compensation Appeals Board (WCAB). There are deadlines for filing the necessary WCAB paperwork, so you should not delay. You can also consult with an attorney. Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fee will be taken out of your benefits. For names of W/C attorneys, call the State Bar of California at (415) 538-2120 or go to their web site at www.californiaspecialist.org.

YOUR TREATING PHYSICIAN

Quality medical care is crucial to making the best recovery from your work injury or illness.

Primary Treating Physician (PTP)

Your primary treating physician (PTP) is the doctor with overall responsibility for treating your work injury or illness and for coordinating care with other providers. The PTP decides what type of medical care you need; whether there are temporary or permanent medical limitations or restrictions on your ability to perform work; and when you are able to return to work.

If the injury results in some degree of permanent disability, the PTP will measure the disability and report the findings to your claims administrator. The PTP will also report whether you will need medical care in the future. As part of your Workers' Compensation benefits, the University will provide you with a PTP.

Personal Physician (M.D. or D.O.)

If you have a personal M.D. or D.O. and you wish to designate this physician to be your PTP, you must do so in writing before the injury occurs. In addition, before the injury occurs, the physician must agree to treat you for a work related injury or illness.

One-Time Right to Change PTP

You have the right to change your PTP one time. You can request this change at any time.

Change of PTP: First 30 Days

If you make your request to change PTP during the first 30 days after reporting your injury, you can change to your personal chiropractor or acupuncturist if you have predesignated this physician.

Change of PTP: After 30 Days

If you have not already used your one-time change of PTP, then thirty (30) days after reporting your injury, you may change to the PTP of your own choice. This can be your personal M.D. or D.O., your personal chiropractor, personal acupuncturist, or any physician of your choice within a reasonable geographic area.

Medical Provider Network (MPN)

Employers may offer an Medical Provider Network (MPN), which is a selected network of health care providers to provide treatment to workers injured on the job. If the employer is using an MPN, a MPN notice is required to be posted in the worksite to explain how to use an MPN. **UCLA is not using an MPN.**

WORKERS' COMPENSATION FRAUD IS A FELONY

Anyone who makes or causes to be made any knowingly false or fraudulent material statement for the purpose of obtaining or denying workers' compensation benefits or payments is guilty of a felony.

PHYSICIAN PREDESIGNATION FORM

In the event you sustain an injury/illness related to your employment, you may be treated for such injury/illness by your personal medical doctor (M.D.), doctor of osteopathic medicine (D.O.), medical group, chiropractor (D.C.) or acupuncturist (L.A.C.) if:

Your personal medical physician (M.D. or D.O.) chiropractor (D.C.) or acupuncturist (L.A.C.)

- Is your regular treatment provider
- Has directed your treatment in the past
- Retains your treatment records and history
- Prior to the injury your doctor agrees to treat you for work injuries or illnesses
- Prior to the injury you give your employer the name and address of your personal physician in writing before the injury, then
- You can treat with your personal M.D. or D.O. immediately after the injury.
- You can change to your personal D.C. or L.A.C. if you exercise your right to one change of treating physician.

Your personal M.D. or D.O. must agree to treat you for work injuries or illnesses before one occurs.
