Please carefully read through the following information pertaining to eligibility criteria and benefit entitlement. ***You must also sign and date the back and return the form to your departmental apprentice personnel officer.*** If you have any questions regarding these policies, contact your academic advisor, hiring department or the Graduate Fellowships and Financial Services at (310) 825-1025.

The following table summarizes the benefits and the requirements necessary to qualify for and maintain these benefits:

				GSR	\$126.63	\$125.62	\$123.62

* Balance of fees varies for new and continuing students. Please consult your BruinBill account for actual balance of fees or the Registrar's Office website: <http://www.registrar.ucla.edu/Fees-Residence/Overview>

Also note that you must be continuously registered and enrolled throughout the applicable appointment period(s) in the required number of units by ***no later than the third week*** of instruction and be employed at 25% time or greater.

It is important to understand the above not only to maintain those benefits initially provided to you, but also to ensure that you receive the full benefits associated with your total academic apprentice appointment with the university. The percentage of time accumulates in the instance where you have more than one qualifying apprentice appointment. Even if each appointment is less than 25%, you become eligible for some or all of the remissions if two or more such apprentice appointments accumulate to 25% or more. If this is the case, you must speak with your departmental administrator to ensure that a remission roster is processed.

Should you fail to meet and/or maintain these requirements, you will be billed for all remissions issued to you for that quarter for which you are ineligible. Failure to complete assigned duties for an extended period of time may be deemed abandonment of the position and may result in termination of the apprentice position, denial of re-employment and/or other appropriate sanctions.

SUBSTITUTE TEACHING WORK

Substitute teaching work performed by an ASE is compensable when coordinated and approved in advance by the hiring unit. The work may include but not limited to preparation time, classroom time, grading, and office hours. The department's human resources coordinator should ensure that the ASE is appropriately compensated. For any questions related to additional compensation for substitute work, please contact the hiring unit human resources coordinator.

TEST OF ORAL PROFICIENCY EXAMINATION (TOP)

International graduate students, including permanent residents, whose native language is not English, are required to take a campus-administered Test of Oral Proficiency examination (TOP) and pass it at 7.1 or above in order to be eligible for a teaching assistantship at UCLA. Please visit: <https://oid.ucla.edu/top> for more information on registration, exam details, preparation and scoring.

HEALTH INSURANCE

WAIVING

If you decide to waive your health insurance and submit a UC SHIP (University of California Student Health Insurance Plan) waiver for the term, and subsequently become eligible for the university health insurance remission, you will not be eligible to enroll in UC SHIP until the next term. Your UC SHIP waiver cannot be reversed for the term. There are no exceptions, and there is no appeal process, for waiving out of UC SHIP after your registration fees have been paid for the term. Please also note that a waiver of UC SHIP does not result in a refund back to you if you're enrolled in another insurance plan, directly pay or receive funding.

COVERAGE FOR STUDENTS ON FEE PENDING (FP) STATUS

Students on Fees Pending (FP) status have access to and may avail themselves of all services offered at Ashe, included but not limited to primary care visits, in-house specialty, x-rays, lab services, and prescriptions. Further, students with FP status have access to medical care at Ashe without the concern of incurring out-of-pocket costs at the time of visit. Students in need of health services can make appointments by phone (310-825-4073, Option 1) or in person (on the 1st floor of the Ashe building). For any questions related to health care services at Ashe associated with having FP status, please call the Insurance Office at 310-825-4073, Option 4.

ADVANCE LOANS

Academic Student Employees and Graduate Student Researchers are eligible to receive an interest-free advance on their student funding. Applications for these loans must be submitted within the following periods:

Fall 2018	September 24, 2018 – October 15, 2018
Winter 2019	November 14, 2018 – December 14, 2018
Spring 2019	March 1, 2019 – April 1, 2019

The loan will be paid back through equal payroll deductions taken from the second and third paychecks of the quarter for monthly paid employees while the first deduction is taken from the first paycheck of the first month and the second deduction taken from the first paycheck of the second month for bi-weekly paid employees.

FEE DEFERRALS

All academic apprentice personnel are eligible to receive a fee deferral for registration fees assessed during the quarter in which they serve as an academic apprentice. You are responsible for ensuring that these fees are paid by the payback deadline. In general, the deferred payment deadline is two months after the standard quarterly due date. If your fees are not paid by this date, you will be liable for an additional \$50 late charge. Please contact your departmental administrator to request a fee deferral. Fee deferrals cannot be reversed and if you decide not to enroll after a fee deferral has been posted, you are still liable to pay registration fees.

FICA WITHHOLDING

The student FICA tax exemption is applied in withholding on wage payments to graduate employees. If a graduate student employee (TA, GSR, etc.) carries six or more units during a given quarter and works less than 80% time, no FICA is deducted. Nonresident aliens on F1 or J1 visas who are pursuing the purpose for which their visa was issued, are exempt from FICA withholdings until they become substantially present in the United States (i.e., qualify as a US tax resident). Should the employee's enrollment drop below the requisite number of units, FICA will begin to be deducted automatically from his/her paycheck. In addition, FICA will be withheld from wages in any month in which the number of days falling inside an instructional period is exceeded by the number of days falling outside of the instructional period; this situation often occurs during September and June.

FINANCIAL AID ELIGIBILITY

Students receiving any form of Financial Aid including Federal Unsubsidized Direct Loans, Federal Graduate PLUS Loans, Federal Perkins Loans, and/or Federal Work-Study funds, who are subsequently eligible for applicable remission benefits, may experience a reduction to one or more of their Federal loans or work-study awards. The reduction will appear on your academic year Electronic Financial Aid Notification (eFAN). You must report this information to the Financial Aid and Scholarships Office as soon as possible to avoid potential billing. Delay in reporting this information may result in you receiving financial aid in excess of your eligibility, which will necessitate that you be billed for funds already received. If you have any questions, please contact them at: <https://www.financialaid.ucla.edu/contact-us>.

UC STUDENT-WORKERS UNION

UAW LOCAL 2865

Membership Election Form

Welcome to your union! UAW Local 2865 is the union chosen by the majority of Readers, Tutors, Teaching Assistants, and Graduate Student Instructors. The Union negotiates contracts with the university administration covering wages, benefits, hours, rights, terms and conditions of employment. This is the form by which you voluntarily accept or decline membership.

AT UC, THE UNION:

- Is run by student employees like you;
- Enables student employees to resolve workplace problems;
- Gives student employees a collective voice in advocating for important issues such as increased wages, rights for international students, and equity and diversity in academia.

BECAUSE UC STUDENT EMPLOYEES FORMED A UNION IN 1999, WE HAVE:

- Increased wages more than 33% compared to student employees outside of the Union.
- Won high quality health insurance at a low cost to student employees.
- Achieved protections from discrimination and harassment in the workplace.
- And gained many more rights and protections.

These rights and protections are only possible because a majority of student employees are dues-paying members of our union. By becoming a member, you increase the strength of the Union, you're able to participate in the Union's decision-making process, and you can run for leadership positions if you choose. You are also doing your part to support the community of student employees at the University of California and building the future of public education.

I ACCEPT MEMBERSHIP in UAW Local 2865. I agree to pay a one-time \$10 initiation fee and monthly dues, currently 1.44% of my gross pay. I authorize UC to deduct the initiation fee and monthly membership dues from my pay and remit them to the Union. Unless revoked, this authorization is to remain in effect for all periods of time in which I am a UAW member and receiving a paycheck for work performed as a TA, Tutor, Reader, or Graduate Student Instructor.

I DECLINE MEMBERSHIP in UAW Local 2865.

INVITATION TO SELF-IDENTIFY VETERAN STATUS

The University of California is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans, 4) Armed Forces service medal veterans; and (5) Vietnam Era Veterans.

OVER ►

I AM NOT A PROTECTED VETERAN. (O)

I AM A PROTECTED VETERAN, BUT I CHOOSE NOT TO SELF-IDENTIFY THE CLASSIFICATIONS TO WHICH I BELONG. (P)

I belong to the following classifications of protected veterans (choose all that apply):

DISABLED VETERAN (S)

A “disabled veteran” is one of the following:

1. a veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or 2. a person who was discharged or released from active duty because of a service-connected disability.

RECENTLY SEPARATED VETERAN Please provide separation date ____/____ (MM, YY)

A “recently separated veteran” means any veteran during the three-year period beginning on the date of such veteran’s discharge or release from active duty in the U.S. military, ground, naval or air service.

ACTIVE WARTIME OR CAMPAIGN BADGE VETERAN (E)

An “active duty wartime or campaign badge veteran” means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense. For a list of officially recognized campaigns, please visit the U.S. Office of Personnel Management website at <http://www.opm.gov/policy-data-oversight/veterans-services/vet-guide/#9>

ARMED FORCES SERVICE MEDAL VETERAN (M)

An “Armed forces service medal veteran” means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985. To identify the military operations that meet this criterion, check your DD Form 214, Certificate of Release or Discharge from Active Duty.

VIETNAM ERA VETERAN (V)

Vietnam Era Veteran means a person who:

1. Served on active duty for a period of more than 180 days, and was discharged or released therefrom with other than a dishonorable discharge, if any part of such active duty occurred: a. in the republic of Vietnam between February 28, 1961, and May 7, 1975; or b. between August 5, 1964, and May 7, 1975, in all other cases; or 2. Was discharged or released from active duty because of a service-connected disability, if any part of such active duty was performed: a. in the republic of Vietnam between February 28, 1961, and May 7, 1975; or b. between August 5, 1964, and May 7, 1975, in all other cases.

Protected veterans may have additional rights under USERRA—the Uniformed Services Employment and Reemployment Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. For more information, call the U.S. Department of Labor’s Veterans Employment and Training Service (VETS), toll-free, at 1-866-4-USA-DOL.

As a Government contractor subject to VEVRAA, we are required to submit a report to the United States Department of Labor each year identifying the number of our employees belonging to each specified “protected veteran” category. If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box above.

If you are a disabled veteran it would assist us if you tell us whether there are accommodations we could make that would enable you to perform the essential functions of the job, including special equipment, changes in the physical layout of the job, changes in the way the job is customarily performed, provision of personal assistance services or other accommodations. This information will assist us in making reasonable accommodations for your disability.

Submission of this information is voluntary and refusal to provide it will not subject you to any adverse treatment. The information provided will be used only in ways that are not inconsistent with the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended.

The information you submit will be kept confidential, except that (i) supervisors and managers may be informed regarding restrictions on the work or duties of disabled veterans, and regarding necessary accommodations; (ii) first aid and safety personnel may be informed, when and to the extent appropriate, if you have a condition that might require emergency treatment; and (iii) Government officials engaged in enforcing laws administered by the Office of Federal Contract Compliance Programs, or enforcing the Americans with Disabilities Act, may be informed.

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.

PATENT ACKNOWLEDGMENT

This acknowledgment is made by me to The Regents of the University of California, a corporation, hereinafter called "University," in part consideration of my employment, and of wages and/or salary to be paid to me during any period of my employment, by University, and/or my utilization of University research facilities and/or my receipt of gift, grant, or contract research funds through the University.

accordance with the Policy. I shall promptly furnish University with complete information with respect to each.

By execution of this acknowledgment, I understand that I am not waiving any rights to a percentage of royalty payments received by University, as set forth in the University of California Patent Policy, hereinafter called "Policy."

In the event any such invention shall be deemed by University to be patentable or protectable by an analogous property right, and University desires, pursuant to determination by University as to its rights and equities therein, to seek patent or analogous protection thereon, I shall execute any documents and do all things necessary, at University's expense, to assign to University all rights, title, and interest therein and to assist University in securing patent or analogous protection thereon. The scope of this provision is limited by Calif. Labor Code Sec. 2870, to which notice is given below. In the event I protest the University's determination regarding any rights or interest in an invention, I acknowledge my obligation: (a) to proceed with any University requested assignment or assistance; (b) to give University notice of that protest no later than the execution date of any of the above-described documents or assignment; and (c) to reimburse University for all expenses and costs it encounters in its patent application attempts, if any such protest is subsequently sustained or agreed to.

I also understand and acknowledge that the University has the right to change the Policy from time to time, including the percentage of net royalties paid to inventors, and that the policy in effect at the time an invention is disclosed shall govern the University's disposition of royalties, if any, from that invention.

I acknowledge that I am bound to do all things necessary to enable University to perform its obligations to grantors of funds for research or contracting agencies as said obligations have been undertaken by University.

Further, I acknowledge that the percentage of net royalties paid to inventors is derived only from consideration in the form of money or equity received under: 1) a license or bailment agreement for licensed rights, or 2) an option or letter agreement leading to a license or bailment agreement. I also acknowledge that the percentage of net royalties paid to inventors is not derived from research funds or from any other consideration of any kind received by the University.

University may relinquish to me all or a part of its right to any such invention, if, in its judgment, the criteria set forth in the Policy have been met.

The Policy on Accepting Equity When Licensing University Technology governs the treatment of equity received in consideration for a license.

I acknowledge that I am bound during any periods of employment by University or for any period during which I conceive or develop any invention during the course of my utilization of any University research facilities, or any gift, grant, or contract research funds received through the University.

I acknowledge my obligation to assign, and do hereby assign, inventions and patents that I conceive or develop 1) within the course and scope of my University employment while employed by University, 2) during the course of my utilization of any University research facilities, or 3) through any connection with my use of gift, grant, or contract research funds received through the University. I further acknowledge my obligation to promptly report and fully disclose the conception and/or reduction to practice of potentially patentable inventions to the University authorized licensing office. Such inventions shall be examined by the University to determine rights and equities therein in

In signing this acknowledgment, I understand that the law, of which notification is given below, applies to me, and that I am still required to disclose all my inventions to the University.

NOTICE: This acknowledgment does not apply to an invention which qualifies under the provision of Calif. Labor Code Sec. 2870 which provides that (a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either: (1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or (2) Result from any work performed by the employee for the employer. (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable. In any suit or action arising under this law, the burden of proof shall be on the individual claiming the benefits of its provisions.

1. EMPLOYEE AND UNIVERSITY INFORMATION

EMPLOYEE NAME (Last, First, Middle Initial)	EMPLOYEE NUMBER	SOCIAL SECURITY NUMBER
CAMPUS/LAB	DEPARTMENT	DATE OF HIRE

Your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a UC defined contribution plan (DC plan) or UC Retirement Plan (UCRP) benefit based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your DC plan or UCRP benefit may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

1. Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a plan benefit from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a plan benefit from this job.

For example, if you are age 62 in 2012, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$383.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to the Social Security publication, "Windfall Elimination Provision."

2. Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a federal, state or local government plan benefit based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your government plan benefit.

For example, if you receive a monthly government plan benefit of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security ($\$500 - \$400 = \$100$).

Even if your government plan benefit is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to the Social Security publication, "Government Pension Offset."

2. FOR ADDITIONAL INFORMATION

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or, for the deaf or hard of hearing, call the TTY number 1-800-325-0778, or contact your local Social Security office.

3. REQUIRED SIGNATURE

I certify that I have received Form UCRS 419 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.
