The University of California is a Government contractor subject to the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans, 4) Armed Forces service medal veterans; and (5) Vietnam Era Veterans.

RET: Destroy after data entry pursuant to local procedures

SEE REVERSE FOR PRIVACY NOTIFICATIONS
I belong to the following classifications of protected veterans (choose all that apply):

- **DISABLED VETERAN (S)**
  A “disabled veteran” is one of the following:
  1. a veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or 2. a person who was discharged or released from active duty because of a service-connected disability.

- **RECENTLY SEPARATED VETERAN** Please provide separation date _____/_____/______ (MM, YY)
  A “recently separated veteran” means any veteran during the three-year period beginning on the date of such veteran’s discharge or release from active duty in the U.S. military, ground, naval or air service.

- **ACTIVE WARTIME OR CAMPAIGN BADGE VETERAN (E)**
  An “active wartime or campaign badge veteran” means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense. For a list of officially recognized campaigns, please visit the U.S. Office of Personnel Management website at [http://www.opm.gov/policy-data-oversight/veterans-services/vet-guide/#9](http://www.opm.gov/policy-data-oversight/veterans-services/vet-guide/#9)

- **ARMED FORCES SERVICE MEDAL VETERAN (M)**
  An “armed forces service medal veteran” means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985. To identify the military operations that meet this criterion, check your DD Form 214, Certificate of Release or Discharge from Active Duty.

- **VIETNAM ERA VETERAN (V)**
  Vietnam Era Veteran means a person who:
  1. Served on active duty for a period of more than 180 days, and was discharged or released therefrom with other than a dishonorable discharge, if any part of such active duty occurred: a. in the republic of Vietnam between February 28, 1961, and May 7, 1975; or b. between August 5, 1964, and May 7, 1975, in all other cases; or 2. Was discharged or released from active duty because of a service-connected disability, if any part of such active duty was performed: a. in the republic of Vietnam between February 28, 1961, and May 7, 1975; or b. between August 5, 1964, and May 7, 1975, in all other cases.

Protected veterans may have additional rights under USERRA—the Uniformed Services Employment and Reemployment Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. For more information, call the U.S. Department of Labor’s Veterans Employment and Training Service (VETS), toll-free, at 1-866-4-USA-DOL.

As a Government contractor subject to VEVRAA, we are required to submit a report to the United States Department of Labor each year identifying the number of our employees belonging to each specified “protected veteran” category. If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box above.

If you are a disabled veteran, it would assist us if you tell us whether there are accommodations we could make that would enable you to perform the essential functions of the job, including special equipment, changes in the physical layout of the job, changes in the way the job is customarily performed, provision of personal assistance services or other accommodations. This information will assist us in making reasonable accommodations for your disability.

Submission of this information is voluntary and refusal to provide it will not subject you to any adverse treatment. The information provided will be used only in ways that are not inconsistent with the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended.

The information you submit will be kept confidential, except that (i) supervisors and managers may be informed regarding restrictions on the work or duties of disabled veterans, and regarding necessary accommodations; (ii) first aid and safety personnel may be informed, when and to the extent appropriate, if you have a condition that might require emergency treatment; and (iii) Government officials engaged in enforcing laws administered by the Office of Federal Contract Compliance Programs, or enforcing the Americans with Disabilities Act, may be informed.

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.

The State of California Information Practices Act of 1977 requires the University to provide the following information to individuals who are asked to supply information about themselves:

The principal purpose of requesting the information on this form is to provide emergency information. University Policy authorizes maintenance of this information.

Furnishing the information requested on this form is voluntary. There is no penalty for not completing the form. Information furnished on this form will be transmitted to the state and federal government if required by law. Individuals have the right of access to this record as it pertains to themselves.
It is the intent of the President of the University of California, in administering intellectual property rights for the public benefit, to encourage and assist members of the faculty, staff, and others associated with the University in the use of the patent system with respect to their discoveries and inventions in a manner that is equitable to all parties involved.

The University recognizes the need for and desirability of encouraging the broad utilization of the results of University research, not only by scholars but also in practical application for the general public benefit, and acknowledges the importance of the patent system in bringing innovative research findings to practical application.

Within the University, innovative research findings often give rise to patentable inventions as fortuitous by-products, even though the research was conducted for the primary purpose of gaining new knowledge. The following University of California Patent Policy is adopted to encourage the practical application of University research for the broad public benefit; to appraise and determine relative rights and equities of all parties concerned; to facilitate patent applications, licensing, and the equitable distribution of royalties, if any; to assist in obtaining funds for research; to provide for the use of invention-related income for the further support of research and education; and to provide a uniform procedure in patent matters when the University has a right or equity.

The University may withhold distribution and impound royalties until resolution of the matter.

D. The DOE Laboratories may establish separate royalty distribution formulas, subject to approval by the President. Distribution of the inventor’s share of DOE Laboratory royalties shall be made annually in February from the amount received during the previous fiscal year ending September 30th. All other elements of this policy shall continue to apply.

E. Equity received by the University in licensing transactions, whether in the form of stock or any other instrument conveying ownership interest in a corporation, shall be distributed in accordance with the Policy on Accepting Equity When Licensing University Technology.

F. In the disposition of any net income accruing to the University from patents, first consideration shall be given to the support of research.

III. PATENT RESPONSIBILITIES AND ADMINISTRATION

A. Pursuant to Regents’ Standing Order 100.4(mm), the President has responsibility for all matters relating to patents in which the University of California is in any way concerned. This policy is an exercise of that responsibility, and the President may make changes to any part of this policy from time to time, including the percentage of net royalties paid to inventors.

B. The President is advised on such matters by the Technology Transfer Advisory Committee (TTAC), which is chaired by the Senior Vice President—Business and Finance. The membership of TTAC includes the Provost and Senior Vice President—Academic Affairs, the Director of the Office of Technology Transfer, and representatives from the campuses, DOE Laboratories, Academic Senate, the Division of Agriculture and Natural Resources and the Office of the General Counsel. TTAC is responsible for:

1. Reviewing and proposing University policy on intellectual property matters involving patents, copyrights, trademarks, and tangible research products;
2. Reviewing the administration of intellectual property operations to ensure consistent application of policy and effective progress toward program objectives; and
3. Advising the President on related matters as requested.

C. The Senior Vice President—Business and Finance is responsible for implementation of this Policy, including the following:

1. Evaluating inventions and discoveries for patentability, as well as scientific merit and practical application, and requesting the filing and prosecution of patent applications.
2. Evaluating the patent or analogous property rights or equities held by the University in an invention, and negotiating agreements with cooperating organizations, if any, with respect to such rights or equities.
3. Negotiating licenses and license option agreements with other parties concerning patent and or analogous property rights held by the University.
4. Directing and arranging for the collection and appropriate distribution of royalties and fees.
5. Assisting University officers in negotiating agreements with cooperating organizations concerning prospective rights to patentable inventions or discoveries made as a result of research carried out under gifts, grants, contracts, or other agreements to be funded in whole or in part by such cooperating organizations, and negotiating with Federal agencies regarding the disposition of patent rights.
6. Approving exceptions from the agreement to assign inventions and patents to the University as required by Section II.B. above.
7. Approving exemptions to University policy on intellectual property matters including patents, copyrights, trademarks, and tangible research products.

Please sign the state oath and patent acknowledgement on page 1
Your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a UC defined contribution plan (DC plan) or UC Retirement Plan (UCRP) benefit based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your DC plan or UCRP benefit may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

1. Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a plan benefit from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a plan benefit from this job.

For example, if you are age 62 in 2012, the maximum monthly reduction in your Social Security benefit as a result of this provision is $383.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to the Social Security publication, "Windfall Elimination Provision."

2. Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a federal, state or local government plan benefit based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your government plan benefit.

For example, if you receive a monthly government plan benefit of $600 based on earnings that are not covered under Social Security, two-thirds of that amount, $400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a $500 widow(er) benefit, you will receive $100 per month from Social Security ($500 - $400 = $100).

Even if your government plan benefit is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to the Social Security publication, "Government Pension Offset."

2. FOR ADDITIONAL INFORMATION

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or, for the deaf or hard of hearing, call the TTY number 1-800-325-0778, or contact your local Social Security office.

3. REQUIRED SIGNATURE

I certify that I have received Form UCRS 419 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.

FACTS ABOUT WORKERS' COMPENSATION

The content of this pamphlet has been approved by the Administrative Director of the Division of Workers' Compensation.

The information in this pamphlet is available in Spanish. To obtain a copy, please call: UCLA Workers' Compensation 310 794-6948. 
La información en este folleto está traducido al español. Para conseguir una copia, favor de llamar: UCLA Workers' Compensation 310 794-6948.

WHAT IT IS
Since 1913, California Workers' Compensation law has guaranteed prompt, automatic benefits to workers who become injured or ill because of their jobs. It is mandatory no-fault insurance, paid for entirely by your employer, that pays your medical expenses and helps replace lost wages when you are disabled from work because of a work-related injury or illness.

WHO IT COVERS
All UCLA employees and registered volunteers are covered for Workers' Compensation.

WHAT IT COVERS
Almost any job-related injury or illness is covered. Simple first-aid incidents and serious accidents are both covered. Physical and psychological injuries incurred by victims of violent workplace crime are covered. There are a few injuries that may not be covered depending on how they occur; for instance, injuries that result from voluntary, off-duty recreational, social, or athletic activities are not covered. If you wish more information on the types of injuries not covered by workers' compensation, contact the UCLA Workers' Compensation Office at 310 794-6948.

HOW TO REPORT AN INJURY
Immediately report to your supervisor any injury, no matter how slight. You can also report your injury to UCLA WC at 310 794-6948. If your injury is more than a simple first-aid case, your Human Resource office will give you a Claim Form (DWC 1), with instructions to complete the form and return it. You can also obtain a claim form on the UCLA WC web site at: http://www.oirm.ucla.edu/DWCForm1.pdf or you can call UCLA WC at 310 794-6948 and request that a claim form be mailed to you.

State law requires employers to authorize medical treatment within one working day of receiving the completed claim form from you. If you delay reporting your injury or delay completing the claim form, it may result in a delay in receiving benefits; and too long a delay may even jeopardize your right to obtain benefits altogether.

Work Injury Reporting Hotline 877 682-7778
Supervisors, managers, and staff can now call a toll-free number to report any injury. This service is available 24 hours a day, seven days a week. Employees should continue to promptly inform their supervisor if they have been injured, and, in an emergency, urgent medical care should be sought immediately.

NON-DISCRIMINATION
It is illegal for your employer to fire you or in any way discriminate against you because you file a claim, intend to file a claim, settle a claim, testify or intend to testify for another injured worker. If it is found that UCLA discriminated, UCLA may be ordered to reinstate you to your job, reimburse you for lost wages and employment benefits, and pay increased workers' compensation benefits, costs and expenses up to maximum amounts set by state law.

ACUTE AND FOLLOW-UP CARE:

   Contact your physician as soon as possible and make arrangements for treatment.
B. If you did not predesignate your personal M.D. or D.O.: Call UCLA WC at 310-794-6948 as soon as possible to help you make arrangements for treatment.

Temporary Disability Payments
If you are disabled for more than three (3) calendar days, temporary disability payments will partially replace your lost wages. The first three calendar days are not paid unless you are disabled for more than 14 days, or are hospitalized overnight. You should receive your first payment within two weeks of reporting your injury. Every two weeks after that, you will receive another payment.

TD payments stop when your doctor says you can return to work, or your condition has become Permanent and Stationary (your medical recovery has reached maximum foreseeable improvement). Also, for injuries occurring on or after April 19, 2004, TD payments stop after 104 payable weeks within two years from the date of the first TD payment; or after 240 payable weeks within five years from the date of injury for specific long-term conditions such as amputations, severe burns, and certain chronic diseases.

Permanent Disability Payments
If a doctor says your injury or illness will always leave you somewhat limited in your ability to work, you may be eligible for permanent disability payments. The amount will depend on the type of injury, your age, occupation, date of injury, and how much of the permanent disability was caused by the work injury. There are minimum and maximum amounts set by state law. Payments are made at a regular rate and are spread out over a fixed number of weeks until the total amount has been paid. If you received temporary disability payments, the first permanent disability payment is due within 14 days after the TD payments stopped. If you did not receive TD payments (many people with permanent disability keep working), the first permanent disability payment is due within 14 days after your doctor says your condition is permanent and stationary (your medical recovery has reached maximum foreseeable improvement). Subsequent payments are made every 14 days until the total amount is paid.
**Death Benefits**
If the injury or illness causes death, payments may be made to relatives or household members who are financially dependent on you. The amount is set by state law and depends on the number of your financial dependents. Payments are made at the same rate as temporary disability. A burial allowance is also provided.

**Supplemental Job Displacement Benefits**
If you have permanent disability and you do not return to work within 60 days after your temporary disability ends, and the University does not offer modified or alternative work, you may qualify for a non-transferable voucher payable to a school for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law based on your percentage of permanent disability. SJDB is a benefit for injuries occurring on or after 1/1/04.

**If Benefits Are Denied**
You have the right to disagree with any decision affecting your claim. Call your claims administrator first to see if you can resolve any disagreement. For free assistance, you can contact an Information and Assistance officer at the Division of Workers’ Compensation (see the section of this pamphlet captioned “If You Have Other Questions”). You can also file with the Workers’ Compensation Appeals Board (WCAB). There are deadlines for filing the necessary WCAB paperwork, so you should not delay. You can also consult with an attorney. Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fee will be taken out of your benefits. For names of W/C attorneys, call the State Bar of California at (415) 538-2120 or go to their web site at www.californiaspecialist.org.

**Your Treating Physician**
Quality medical care is crucial to making the best recovery from your work injury or illness.

**Primary Treating Physician (PTP)**
Your primary treating physician (PTP) is the doctor with overall responsibility for treating your work injury or illness and for coordinating care with other providers. The PTP decides what type of medical care you need; whether there are temporary or permanent medical limitations or restrictions on your ability to perform work; and when you are able to return to work.

If the injury results in some degree of permanent disability, the PTP will measure the disability and report the findings to your claims administrator. The PTP will also report whether you will need medical care in the future. As part of your Workers’ Compensation benefits, the University will provide you with a PTP.

**Personal Physician (M.D. or D.O.)**
If you have a personal M.D. or D.O. and you wish to designate this physician to be your PTP, you must do so in writing before the injury occurs. In addition, before the injury occurs, the physician must agree to treat you for a work related injury or illness.

**One-Time Right to Change PTP**
You have the right to change your PTP one time. You can request this change at any time.

**Change of PTP: First 30 Days**
If you make your request to change PTP during the first 30 days after reporting your injury, you can change to your personal chiropractor or acupuncturist if you have predesignated this physician.

**Change of PTP: After 30 Days**
If you have not already used your one-time change of PTP, then thirty (30) days after reporting your injury, you may change to the PTP of your own choice. This can be your personal M.D. or D.O., your personal chiropractor, personal acupuncturist, or any physician within a reasonable geographic area.

**Medical Provider Network (MPN)**
Employers may offer an Medical Provider Network (MPN), which is a selected network of health care providers to provide treatment to workers injured on the job. If the employer is using an MPN, a MPN notice is required to be posted in the worksite to explain how to use an MPN. **UCLA is not using an MPN.**
PHYSICIAN PREDESIGNATION FORM

In the event you sustain an injury/illness related to your employment, you may be treated for such injury/illness by your personal medical doctor (M.D.), doctor of osteopathic medicine (D.O.), medical group, chiropractor (D.C.) or acupuncturist (L.A.C.) if:

Your personal medical physician (M.D. or D.O.) chiropractor (D.C.) or acupuncturist (L.A.C.)

- Is your regular treatment provider
- Has directed your treatment in the past
- Retains your treatment records and history
- Prior to the injury your doctor agrees to treat you for work injuries or illnesses
